§ 21-2. Legislative findings.

(a) In general.

The Mayor and City Council of Baltimore finds and declares that the threat, fear, and intimidation caused by the criminal element is one of the most compelling problems facing society today. Crime isolates people in their own homes, causing them to become suspicious of, and in some cases afraid of, their neighbors. And yet, law enforcement officials tell us that neighborhoods with little inter-residential communication are more vulnerable to crime than are those in which neighbors communicate and cooperate with each other on a regular basis.

(b) New program.

A new kind of anti-crime program starting to take hold in neighborhoods around the City seeks to promote communication and cooperation among neighbors as an effective countermeasure to crime. This subtitle sets up a program to install signs in those neighborhoods where a Neighborhood Block Watch Program is in effect.

(c) *Procedure to qualify.*

This procedure shall be as follows:

(1) In order to be considered for the Neighborhood Block Watch Sign Program, a neighborhood group, group of residents, or community association shall submit an application through the Police Commissioner to the Director of Transportation indicating the collective desire of at least 60% of the households in the block or area to have signs placed.

(2) The boundary of the block and area within the Neighborhood Block Watch block or area shall be clearly identified on the application.

(5) When an application is denied, the Police Commissioner or his designee shall state the reasons for the denial.

(6) The Director of Transportation shall authorize the installation of Neighborhood Block Watch Signs in the block or area from which the application was approved.

(*City Code, 1976/83, art. 1, §192.*) (*Ord. 82-696; Ord. 15-435.*)
§ 21-4. Signs.

The neighborhood group, group of residents, or community association which has received approval for the installation of the Neighborhood Block Watch sign shall purchase signs approved by the Police Commissioner and all other material necessary to the installation of the signs. The signs shall be installed by the Department of Transportation. Any person(s) or organizations may volunteer to pay the fee.

MAYOR, COUNCIL, AND AGENCIES

ART. 1, § 38-1

SUBTITLE 38
MUNICIPAL IDENTIFICATION

§ 38-1. Definitions.

(a) “Baltimore City ID Card”; “Municipal identity card”.

(b) MOIT.

“MOIT” means the Mayor’s Office of Information Technology, or any successor entity in the Mayor’s Office, or another City agency, responsible for the City’s information technology needs.

(Ord. 16-586.)

§ 38-2. Findings; Legislative intent.

(a) Findings of fact.

(1) In adopting this subtitle, the Mayor and City Council make the findings contained in this subsection.

(2) Many residents of Baltimore City are unable to obtain a government-issued identification essential to full participation in Baltimore’s diverse society. This barrier leaves thousands of individuals – including immigrants, homeless people, transgender people, senior citizens, young people, and formerly incarcerated people – without access to critical services, benefits, and cultural, educational, and civic opportunities.

(3) Baltimore City offers an array of cultural, educational, and civic opportunities meant to be accessible to all members of our community.

(4) Transgender and gender non-conforming individuals may have particular challenges in obtaining identification cards that reflect their gender identity, due to stigma and burdensome administrative policies for changing gender on other identification documents. This increases the likelihood they will experience discrimination in seeking employment or housing or otherwise participating in cultural or civic life.

(b) Legislative intent.

It is the intent of the Mayor and City Council in adopting this subtitle to:

(1) build Baltimore’s standing as a welcoming and inclusive center for all residents, without regard to a person’s race, national origin, religion, sex, sexual orientation, gender identity, disability, or immigration, housing, or financial status;

(2) provide a municipal identification card that will affirm the gender identity and resident status of all Baltimore City residents by allowing applicants to obtain identification that reflects their gender identity, regardless of assigned birth sex or gender designation on previously-issued identity documents;

04/26/22 -139-
(3) expand access and incorporate more members of Baltimore’s diverse community into the rich fabric of civic life; and

(4) preserve the safety and privacy of all Baltimore City residents by ensuring that personal data gathered during the municipal identification application process is destroyed or maintained confidentially.

(c) *No expansion of identification requirements.*

(1) By authorizing the creation of a municipal identification card program, the Mayor and City Council do not intend to expand identification requirements for access to basic services or exercise of constitutional rights.

(2) The program created by this subtitle is not to be used to require individuals to produce government-issued identification to access services and benefits where government-issued identification was not previously required, such as when registering to vote, casting a ballot, or accessing certain government buildings.

*(Ord. 16-586.)*

§ 38-3. Program administration.

(a) *In general.*

MOIT shall administer the municipal identity card program with the assistance and cooperation of all other City agencies as needed.

(b) *Rules and regulations.*

Subject to Title 4 {“Administrative Procedure Act – Regulations”} of the City General Provisions Article, MOIT may adopt rules and regulations to carry out this subtitle.

(c) *Continuing violations.*

(1) If a provision of law provides that the continuation or recurrence of a violation constitutes a separate offense, a separate environmental citation may be issued for each separate offense.
